Missionary news:

Lizette Lavoie, Kids in Crisis Center, Guinea, Africa

Dear friends and prayer partners,

Please rejoice with me as the Guinea government has relaxed its rules about the opening of schools. They are allowing post secondary schools to open as well as classes for those preparing for state exams. After an emergency meeting of the teachers at the Bible Institute in Conakry, we decided that classes should resume and hopefully the second semester can be completed before October. And so I am teaching again! (Although I did teach at the KIC center). I am teaching 2 courses over the next 3 months, then an intensive course at the end of the semester.

Please pray for continued protection from COVID-19 and also on the Conakry roads. My classes are from 4-6pm after which I have a 1-2 hours drive home through horrific traffic jams. And yet I don't live far from the Bible Institutue.

In Christ,

Lizette
