Missionary news:

Although the Covid-19 cases is coming down slowly in Mexico and relatively high, there are still many unknowns ahead as the stores, offices, public park and restaurants have all reopened with restrictions. Gatherings with other people for us are still restricted. All the schools here are online until further notice. This really took a toll on many expat families who live in Mexico City. Some of them decided to return to their homeland with their young children until the situation improved. We have bid farewell to some families in the month of August. It always hard to say goodbye to our dear friends in the Chinese community here. But we give thanks to the Lord that we had walked alongside them the past six months while we were all under self-quarantine. **Pray for our strength, endurance and patience during this challenging time. Trusting God is in control in all circumstances and continue to work in this LRPG.**

Please pray for those who heard the gospel will experience His supernatural presence in their lives. Pray for Fang who attended our worship and men's Bible class regularly for the past seven months will continue to grow in his faith upon his return to his homeland in mid-Sept. Pray he will be able to find a good local church to worship in his hometown.

Do pray for all our teammates that are in Canada this year and those with delayed return until at least January that the Lord will bless their time there. Also pray for our Chinese ministry teammate Anne for her medical follow up will go well in Toronto until the end of September.
