### Scripture passage:

1 Thessalonians 4:9-12

For now we are asking people not to sing when we gather. Here are some other ways we can express ourselves:

**Clap your hands** (Psalm 47)

**Raise your hands** Like Solomon (2 Chronicles 6:12)

### Missionary news:

#### **Dan and Vera Kuranji**

*Dear friends,*

*With all the distancing and all the rules and regulations... we can still get close to the One that never wants distancing, never demands anything that will not be for our benefit, for our good.*

*I have been up the last few nights with some strange thoughts. Checking our investments! Not money, but invested time, energy, and yes, money too. Names, faces, events came to my mind that interrupted the peace of the night.*

*With all that is going on in the world right now, and with the message that we all see and agree with, suddenly it made sense. ONE LIFE MATTERS.*

*So many of those that came our way could not breathe or face another day... addiction, hard life situations, hopelessness, homelessness, indescribable pain ... And then the morning came. The verse reminded me that His mercies are new every day. Every morning.*

*Lam. 3:23. NLT*

*Great is His faithfulness; His mercies begin afresh each morning.*

*His encouragement came in just the right moment, after difficult night... it came in the note:*

*"Thanks for the birthday wishes the other day. Just to let you know that I consider my real birthday today because 11 years ago on this day I came into the Rainbow centre. A place that was my last hope and the place where I met Christ. I have been alive since then.*

*Thank you. I will never forget that.*

*Miroslav"*

*So, we sat down, prayed, thanked God for the privilege to be part of saving one life, and another, and many more. God has lifted the burden of these so they can breathe and live. How precious is life of each one that is dying ...*
