### Hidden in Plain Sight Prayers

30-January-2021

Thank you to all those who were praying for this past week's winter camp at Xiulin elementary school. God's grace was evident throughout the week. Remarkably, most of those who signed up for the camp actually showed up (which is not always the case). And though 80% of all camps/extracurricular events in our county were suddenly cancelled due to a Covid-cluster outbreak in northern Taiwan, the school pleaded with and secured permission from government officials to allow us to continue. We were blessed to have helpers from our partnering churches, and even from two Buddhist friends in our community.

Interestingly, during our closing ceremonies, the principal (not a Christian) pointed out a large wall painting in the gym entitled: 「晚禱」. Originally entitled: "The Angelus", it is a picture of two people in the field giving prayer in commemoration of Christ's Incarnation. This "hidden in plain sight" painting was a reminder that Christ is already at work in this community. Let's pray together that the students at Xiulin would know Him as Immanuel, God with us.
