Missionary news:

Dear prayer partner, Greetings. If you are going to draw a picture of Spring, what would it look like?? Surely this Spring is very different from last year. We still remember last April when Mexico went through its first wave of pandemic and there was a complete shutdown. All meeting and outreach activities stopped. Yet God's grace is sufficient. The seeds that we have sown and the ground that we have plowed will not be in vain. In His time, God will send showers of rain for the seed to flourish. His blessing is abundant for those who trust in Him. This year Spring we are grateful for God to open new doors for us to share the gospel in the community, new relationships are being made through park ministry and outings with families. Pray with us that the Holy Spirit will stir the hearts of those intentional relationships made and the seeds planted will flourish in His time wherever they might be in the world today. As our home assignment in July is fast approaching there are several objectives that we would like to accomplish and finish well. First, we would like to help our co-worker Anne Louie to enhance relationships with people we have been walking alongside together over the past years. Second, to establish the outreach activities well so that she could carry on the ministry to meet new people. Third, to reinforce partnership with other like minded Chinese Christian workers in Mexico City so that she has other resources and support. In April we arranged park gathering for the mom and tots to celebrate Spring, several weekend outings with different families and an outing with other Chinese Christian workers as a way to deepen those relationships. Please pray for our co-worker Anne that God would guide her as she carry on some of the outreach activities. Pray for us as there are many things needed to prepare for Home Assignment that we would stay focus and finish well what God intended us to do. Please continue to pray for new workers for this Chinese church plant project. (Please go to the C&MA Global Ministry page to check it out.) Thanks so much for your prayer. Even in the midst of packing for Home Assignment, God sent JG a young man in our path. He came to Mexico to work recently and needed some household items. We offered him some items we no longer needed. He has an interest in what Christianity is about with many questions and misconceptions about Christian beliefs. Praise the Lord that he is open to chatting with us and joining online gatherings at times. Pray the Holy Spirit will open his mind and heart to gain better understanding of who Jesus is. Pray for wisdom as we speak to him. Continue to pray for our health and hopefully we will be able to get vaccinated while in Mexico. In Him- Victor and Betty
