Derrick and Bonnie Burnett, Thailand

Prayer Requests

Pray that God would stoke a passion in our student's hearts for him and an unending desire to serve him with all their mind, soul and strength.

Pray that God would increase our ability to speak the Thai language clearly and effectively as all of our teaching and mentoring is done in Thai.

Pray for our kids, who are away from us, that they would be assured of God's love for them, and would see God work in their lives more clearly than ever before.

Prayer for Unity

During this Covid time there are some different strongly held views on how the church should respond to health unit guidelines and vaccinations. The Alliance National Office has requested that we pray for unity in our churches as our communities journey through the rest of the pandemic.

Phuket Ministry Center

Breaking the chains of injustice so that people live the lives they were called to live and change the world is the missional focus of the Phuket Ministry Center. Through the multi-facet engagements of prevention, rescue, after-care, leadership development program alongside of evangelism and discipleship, the Center serves as a hub for life transforming change.

Women and children are bought and sold, exploited and trafficked, tricked and oppressed throughout the island of Phuket—one of the world's top sex tourism destinations. Christ is the only one who can change systems of exploitation and breathe the light of life into this darkness. Your donation will support three current projects:

- create a nation-wide online evangelism strategy that can lead to 15,000 Gospel-centered conversations per year
- develop a family strengthening and foster care program to support pregnant teens and vulnerable children
- build a comprehensive approach in fighting human trafficking in Thailand, which includes impacting 3,000 at-risk students per year through school trainings, bringing traffickers to justice through intelligence gathering and case support, and seeing victims of exploitation offered shelter and vocational training through aftercare
