## Bio

Lizette was born in a Catholic family. At the end of her university studies, friends introduced her to an evangelical pastor. They did Bible studies for some 6 months, at the end of which the Holy Spirit opened her eyes to her need to make a personal commitment to the Lord. After several years in the church, Lizette developed a holy dissatisfaction with her life as a high school teacher and volunteer in church activities. She was called to the mission field at the very first missionary conference she attended. God called Lizette to Guinea where her gift of teaching and compassion could be well used. She has been living and working in Guinea since 1990.
