Missionary news:

Dan and Vera Kuranji, Serbia

Dear Friends,

Thank you again for your ongoing love and partnership with us. In the midst of very challenging times around the world, God is at work in both the Novi Sad and Temerin locations of the Rehab Centre. We want to share with you some of the exciting things that are happening.

Your love, prayers and support have allowed us to touch many broken lives and watch as Christ transforms them into faithful followers!

We have a number of new men joining our program bringing the total number to 26 with several more wanting to start in a few days. We are seriously considering a waiting list! *This is amazing miracle!*

But even more important than the numbers is that, as we have been investing time in the various leaders of the centers, we are seeing a renewed spiritual vitality and sensitivity amongst the men in the program. We are greatly encouraged by the men's desire to learn about how to share the gospel and their faith with others in Novi Sad and surrounding cities.

Below is a link to a short video update on the Rehab Centre in Novi Sad. We hope you enjoy seeing the faces of some of these transformed lives and hearing one man's story about the "God of Miracles"!

He is mighty to save!

May God continue to outpour His Spirit and may the ripple effect of one life changed amaze us all! Blessings,

Danny & Vera
