##### The Joy of Discovering the Word (Jesus)

Recently we have started a Bible study in the book of John for parents of kids who go to our kids' school. At first we didn't know who would come, maybe just one other parent who had expressed interest. We were surprised when several others who weren't Christians joined. As most do not have a Christian background, we have had to explain many things in the Bible. It has been a joy to discover again who Jesus is from the eyes of those who are encountering Him for the first time. Please pray for all of us to truly see the Word.

##### Praises and Prayers

- ✿ Praise God for opportunities to share about Jesus in the park
- ✿ Praise God for being able to homeschool Micah
- ✿ Pray for preparations for our Christmas presentation at the local primary school
- ✿ Pray for preparations for a winter camp at another local school
