Charity Sunday

May 16th and 23rd will be a charity Sunday. We will be combining our efforts to give a larger offering to help those in need in two African countries. Half of everything we give to this effort will go to help people displaced by the conflict in Ethiopia.

The other half of our donations will go to the continuing work of the Kids in Crisis Center in Guinea Africa. Our missionary, Lizette Lavoie, continues to work with this center to care for orphaned and abandoned babies in Guinea.

Missionary news:

Greetings dear friends,

It is the same in so many places of the world. Pandemic news changes from hope to disappointment... weather changes, hot one day, freezing by the morning... health issues seem to be staring in many of our faces. Oh, to keep focused is only going to happen if we start the day right. With Jesus, His word, His promise and putting to practice what we say we believe.

Here are some amazing answers to prayers. These stories warm our hearts these days.

Two of our guys, **Ratko and Jovan** came without hope and addicted to drugs for years are now at the Bible School. They finished the program in our Rehab Center. God changed them amazingly and now they have a goal and are focused on becoming disciples of Jesus and to spreading the Good News.

Nenad knocked at the door of the Centre as his last option. He had no place to stay, no one that would want him. But God. He waited for him. Nenad came, gave his life to Christ, finished the 18 months in the programme, stayed to help with the men.... He now oversees the work that men are involved in and is one of our full time staff.

We have been praying for a wife for him. A life companion who would share his desire to serve Christ, raise a Christian family and make a difference in many lives.... and God did! In our small Christian community, it needed a miracle. God gave him a gift, a lady who has been praying for a godly husband. Both prayers have been answered and wedding rings were exchanged on Saturday, April 17th.

Oh, how heart warming these stories are!

Then, there are some prayer requests that still chill our hearts. Prayers for our son in law **Slobodan** who is in the middle of head and spine radiation. After 18 months of chemo that gave no results, this treatment was decided by the teams of doctors. They have never seen this type of tumours before, so they are experimenting.

God knows it all, for sure, however, the road is not easy.

Please continue to pray for miracle for Slobodan and their family.

We thank God for you. Thank you for praying and supporting us and those we serve.

**Be strong and courageous.
Do not be afraid or terrified because of them,
for the Lord your God goes with you;
He will never leave you nor forsake you.**

Deut.31:6

Love and thanks,
